1951 INTRODUCTIONS

The following varieties can be purchased this fall for the first time. None have left our fields up to now.

69B—CHARLIE'S WHITE—Medium sized white bomb. This variety does not have any pink in it but opens with a yellowish cast. Tall strong grower—proliferous. Blooms with Mons. Jules Elie or possibly 1 day earlier. Also beautiful in bud and has no stamens. Good keeper in storage. Plant often does not bloom as a 2 yr. old.

\$40.00 per 3-5 eye division.

Certificate of Merit—Rockford Peony Show—June, 1950.

690—EMMA K.—A large full rose-type very deep pink. This variety is not tall but has stiff stems with foliage to the ground. Blooms after Baroness Schroeder. Nice smooth bud and has no stamens. Good keeper in storage.

\$25.00 per 3-5 eye division.

Certificate of Merit—Rockford Peony Show—June, 1950.

781Z—CORAL GLOW—A tall dark pink. Midseason. The flowers seem to perform very well after they are cut. An outstanding beautiful variety.

\$25.00 per 3-5 eye division.

Certificate of Merit—Rockford Peony Show—June, 1950.

BUYING CONDITIONS AND INSTRUCTIONS

All varieties guaranteed true to name. Strong 3-5 eye divisions. We fill all orders from September 15th to November 1st. When ordering in the fall, please give us 3 or 4 days to fill the order.

You can leave the order in the spring with a 25% deposit and we will send a card in the fall, or we will send parcel post if desired.

You are invited to inspect our evergreen fields and retail sales yard.
